Dear Potential Sponsor,

Sedona Swim Team has been a parent run United State Swimming (USS) club and non-profit 501(c)(3) organization since 1996. Sedona swimmers represent our community throughout the state of Arizona and the Western United States. We have swimmers qualify for and compete on the regional, state and Far Westerns level of competition. Historically, Sedona swimmers have been recruited to swim at the college level on swimming scholarships.

The parent-run board hires professional United States Swimming certified swim coaches, has organizational meetings once a month and oversees the club's direction.

The team practices one to two hours a day and competes year round. The team organizes local summer swim meets, fund raisers and fun events. During the warmer months our team has 50 to 60 swimmers in the water every day. Sedona Swim Team is proud to host two swim meets a year attracting approximately 250 athletes and their families from the Verde Valley, Flagstaff, Kingman and Bullhead City.

It is through swimming, our youth gain physical benefits, learn how to interact with others and follow directions. Swimmers learn about fairness, responsibility, commitment, discipline and a host of powerful life lessons. Swim team provides our youth the opportunity to learn and have fun while at the same time improving their self-esteem. Our kids win, our community wins and our team wins.

We are currently seeking sponsors from businesses and individuals such as you that serve our community and support our youth.
